☐ just right.

☐ too much.

☐

something else (please describe).

10. In the text box corresponding to your choice, please indicate what things you considered as you responded.

The tools and techniques presented this week furthered my writing progress....

☐ minimally, if at all.

☐ just as I expected.

☐ beyond my expectations.

☐ in a different way (please describe)

11. The tools and techniques presented this week improved my writing process...

☐ minimally, if at all.

☐ just as I expected.

☐ beyond my expectations.

☐ in a different way (please describe)

12. In the text box corresponding to your choice, please indicate what things you considered as you responded.

As a result of the Camp experience, my writing support community...

☐ narrowed.

☐ stayed pretty much the same.

☐ expanded just a little.

☐ expanded greatly.

☐

— did something different than listed above (please describe)

13. Would you recommend the Camp to a friend? Why or why not?

☐ Yes

☐ No

14. Please describe at least one thing that would have improved Camp for you.

15. Please describe at least one thing about Camp that you WOULD NOT change.

16. You have built a foundation of writing and research practice during this Camp. Please describe what additional support would you want for follow-up?

17. Please select your division:

Engineering

Humanities

Science

Social Science

Other

18. Your feedback is used to adjust the camp and improve it for the next cohort of participants. To help us help future campers, please envision your 'ideal' Camp. Describe:

1. The setting
2. The services you want.
3. The services you could work well without
4. The month(s)
5. The days of week.
6. The time of day.

19. At what stage of writing your dissertation are you? We are asking this question to design appropriate content for future camps.

20. Before coming to the camp you have likely completed much of your research.

Please describe what writing and research support would have helped you be more productive during camp week. Consider when in your program the support would have been most useful and why at that stage over another (use terms early, middle or late to describe the stage relevant to your program).

21. Use the slider to indicate the number of hours (by best estimate) you put into your camp-related work each day, both during the 8:30-5:00 scheduled time and time outside of camp
