11. Please describe one thing that would have improved Dissertation/Thesis Camp:

honestly, nothing - I think you all did a great job executing ~~it~~ and planning it.

12. Please describe one thing about Dissertation/Thesis Camp that you would not change:

I really liked the format - meet-n-greet, presentation, individual work time/ personal consultations. Food/snacks were excellent, too!

13. Would you recommend Dissertation/Thesis Camp to a friend? Why or why not?

Absolutely! a lot of my friends were interested when I told them that I was participating. I think that in general, dissertating is a lonely, solitary process at times, and it was good to be surrounded physically ~~by those~~
