## Mexico Patent Database 1840-1910

### Edward Beatty

#### Code Book

This document lists and describes the fields included in the Mexico Patent Database, including in brackets the defined parameters for the original Microsoft Access database field. Listings in the database include only information available in the published notice; see the “Read Me” file for further discussion. The database is available here as a .csv file, convertible to an Excel file. Contact the author at [ebeatty@nd.edu](mailto:ebeatty@nd.edu) with any questions.
